

Enriching Lives

By developing diversity

Chemistry, Commerce, Engineering, Finance, Geology, Human Resources, Metallurgy, Mining, Rock Engineering, Surveying... Literally an A to Z of future choices for top students exists within the Implats group.

As one of the largest platinum mining companies in the world, Implats offers the opportunity to join a world-class mining company. It strives to operate according to best practice in all spheres of its operations and employs almost 55 000 people (including contractors) in a range of positions covering an entire spectrum of career opportunities.

Implats is committed to attracting, developing and retaining a diverse workforce that reflects the nature of our worldwide business.

We value employees who embrace challenges and thrive in a culture of innovation. Leadership and discipline specific training is provided to enable employees to reach their full potential and support the company in achieving its goals.
