PKF chartered accountants and business advisers

PKF (PREVIOUSLY FISHER HOFFMAN PKF) IS THE FIFTH LARGEST ACCOUNTING FIRM IN THE COUNTRY, MAKING US LARGE ENOUGH TO PROVIDE AN EXCELLENT CAREER FOUNDATION AND SMALL ENOUGH FOR YOU TO MAKE A DIFFERENCE.

PKF is a leading international business advisory organisation. Our global association operates in more than 120 countries, providing a truly global perspective, while delivering services with a local focus.

The origins of PKF lie in the firm Fisher Hoffman, which was established in Johannesburg in 1943. Fisher Hoffman grew consistently over the years, forming an independent national association of offices in all major centres, and in 1991, joined PKF International.

Our expertise covers six areas including audit and corporate services, tax planning and compliance, corporate finance, corporate governance, wealth management and international services.

Employee value proposition

We acknowledge academic achievements and assist our trainee accountants to take charge of their careers by offering opportunities that build practical experience on strong theoretical backgrounds. Ongoing training plays an important part of a trainee accountant's development.

We help graduates achieve their personal goals by monitoring their performance, setting clear objectives and developing career action plans in personal bi-annual reviews.

You gain hands-on, practical experience and knowledge across a wide range of industries and enterprises and ultimately coordinate your own team on audits.

Your efforts and dedication will be recognised through performance-based remuneration, promotion and rewards.

Our policy of promotion from within is the final significant approach to our philosophy, reinforcing our commitment to ensuring real job satisfaction across the company.

We encourage all trainee accountants to belong to the PKF Social Club which organises sporting events, functions and regular get-togethers with colleagues and other industry players.

Graduate Recruitment Programme / candidate skills and character required

We are always looking for highly talented, energetic, intelligent and dedicated people with a strong team spirit and deep rooted professionalism. Talent acquisition is just as important as talent retention; we pride ourselves on our personal 'family' touch, ensuring that our employees are kept happy with complete job satisfaction.

Career opportunities

Representatives of PKF will be present on campuses throughout the year participating in national recruitment expos. Alternatively students can apply at www.pkf.co.za where they can submit a CV coupled with their academic transcripts.

PKF offers opportunities that are designed to get you ahead and give you the edge by the time you graduate. We offer vacation work to third year B.Com and B.Com Honours Accounting students during the June/July and November/December holidays. You will also have the opportunity of assisting the audit staff with a variety of tasks
